

 This programme is designed for students over 40 years of age, wishing to improve their English language skills with peers of a similar age.

In this 20-lesson per week, 6 student per class course the teacher will be able to focus on your individual needs more easily than in a larger group. In addition to this, there will be more opportunities to speak. You will work on reading, writing, listening and speaking skills as well as extending your vocabulary and activating your grammar. By the end of the course you can expect to have improved your communicative competence and feel more confident and independent as a learner.

- Extend your vocabulary and improve your grammar
- Learn practical skills
- Small classes of only six students
- Combined with a unique cultural experience
- Learn and discover with like-minded people
- Ideal holiday if you are traveling alone and want to make social connections from all over the world
